

08:00 - 08:50 REGISTRATION / COFFEES & PASTRIES / NETWORKING				
08:50-08:55	Conference Chair - Opening Introduction	Conference Chairman	Technology TV Presenter	Confirmed
08:55-09:00	Welcome Address	Minister	UK Government	Invited
1. GLOBAL OUTLOOK (Hosted by Spencer Kelly, Conference Chair)				
09:00-09:40	PANEL (with Q&A): A Global UAM Outlook - How close are we to achieving the dream of urban air transportation with eVTOL vehicles? What are the main challenges that lay ahead? Moderated by: Spencer Kelly, Conference Chairman	Deputy Associate Administrator	NASA	Confirmed
		Deputy Director, Aerospace & Defence Industry Division	Ministry of Economy, Trade & Industry. Government of Japan	Confirmed
		TBC	BEIS or DFT	Invited
		Head of Urban Air Mobility	Airbus	Invited
		CTO / VP	Boeing	In Discussion
09:40-10:00	KEYNOTE: Market Overview	TBC	Leading Consultancy	In Discussion
10:00-10:30	PANEL (with Q&A): Challenges, Opportunities and Threats. The Regulators View on Urban Air Mobility Moderated by: Spencer Kelly, Conference Chair	Chief Executive	UK Civil Aviation Authority	In Discussion
		Executive Director, Office of Unmanned Aircraft Systems	US Federal Aviation Administration	Confirmed
10:30-11:00	KEYNOTE: On-Demand Aerial Ridesharing - Uber's Vision for Making the World Move	Director, Advanced Technologies Research Centre (Paris)	Uber	Confirmed
11:00-11:30 COFFEE BREAK - EXHIBITION NETWORKING				
2. EVTOL TECHNOLOGY & INFRASTRUCTURE (Hosted by Darrell Swanson, Swanson Aviation)				
11:30-11:35	Session Introduction	Director	Swanson Aviation	Confirmed
11:35-11:55	KEYNOTE: From Flying Cars to Humans on Mars - The Future of Transportation	Co-Founder & Chief Product Officer	Airspace Experience Technologies	Confirmed
11:55-12:10	Enabling Urban Mobility: A New EVTOL Infrastructure Era	Founder (Architect)	Six Miles Across London Ltd.	Confirmed
12:10-12:25	Infrastructure in Urban Air Mobility: The Crucial Component	Co-Founder & Managing Director	Skyports Ltd.	Confirmed
12:25-12:45	UAM Ecosystem	Director, Global Airspace Integration	Boeing NeXt	In Discussion
12:45-13:00	How Urban Air Mobility will reshape our cities with the new real estate and smart-systems	Director	McFly Aero Infrastructure Ltd.	Submitted
13:00-14:00 LUNCH BREAK - EXHIBITION NETWORKING				
3. OPERATIONAL ENVIRONMENT				
14:00-14:15	Preparing the UK for UAM Operations	Founding Partner	The Aviary Project	Confirmed
14:15-14:30	Tackling Airborne Software Complexity and Safety for eVTOL	Chief Executive Officer	(UN)MANNED	Confirmed
14:30-14:45	TBC	TBC	AiRXOS (GE Aviation)	In Discussion
14:45-15:00	Blockchain Applications in UAM Operations	Chief Software Architect	SkyGrid	Confirmed
15:00-15:30	PANEL (with Q&A): A look at Cross-Certification, and Air Traffic Management Issues and Developments Moderated By: TBC (Connected Places Catapult Invited)	TBC	CAA	Confirmed
		TBC	NATS	Confirmed
		TBC	EASA	Invited
		TBC	TBC	Invited
15:30-16:00 COFFEE BREAK - EXHIBITION NETWORKING				
4. BEYOND PASSENGER TRAVEL				
16:00-16:25	PANEL (with Q&A): Defence Logistics Supply: Going the Last Mile Moderated By: Luca Leone	Head of Future Concepts	Defence Logistics (DefLogs), Ministry of Defence (UK Gov)	Confirmed
		Managing Director	Faradair Aerospace Ltd.	Confirmed
		TBC	TBC	In Discussion
		Autonomy Lead	Defence Science and Technology Laboratory (DSTL, UK Gov)	Confirmed
16:25-16:40	CASE STUDY: Drone Delivery Service in Iceland	CEO	Aha.is	Confirmed
16:40-16:55	The transformational technology of drones and their potential impact on society	Head of Digital Capability for SOARIZON ©	Thales UK	Confirmed
16:55-17:00	CLOSING REMARKS	Conference Chairman	Technology TV Presenter	Confirmed
WELCOME RECEPTION - EXHIBITION VISIT				

SHAPING THE FUTURE OF AIR TRAVEL

ORGANISED BY
FARNBOROUGH
 INTERNATIONAL

DAY TWO

Wednesday, 4th September 2019

08:00 - 08:50 REGISTRATION / COFFEES & PASTRIES / NETWORKING				
08:50-09:00	Conference Chair - Opening Introduction	Conference Chairman	Technology TV Presenter	Confirmed
09:00-09:20	KEYNOTE: UAM Challenges and the NASA Strategy	Advanced Air Mobility Project Manager, Aeronautics Research Mission Directorate	NASA	Confirmed
5. INNOVATION				
09:20-10:10	Vehicle Innovation - A look at the latest and greatest UAM Vehicles. 10 minute pitch per company Hosted by: Gwen Lighter, CEO, GoFly	Chief Executive Officer	GoFly	Confirmed
		Head of Global Public Affairs	Volocopter	Confirmed
		President	Bartini Inc.	Confirmed
		Chief Commercial Officer	Vertical Aerospace	Confirmed
		Founder	EHANG	Confirmed
		Chief Executive Officer	SkyDrive Inc.- CARTIVATOR Member	Confirmed
10:10-10:25	CAA Innovation Hub	Head of Innovation	CAA	Confirmed
10:25-10:40	From Formula One to Flight	Senior Commercial Manager	Williams Advanced Engineering	Confirmed
10:40-10:50	Lightweight Production 4.0 - design for fast & efficient production ramp-up of urban air vehicles	CEO and Co-Founder	Cevotech GmbH	Confirmed
10:50-11:00	Batteries for Aviation: Technology trajectories for battery types and chemistries - what is the future?	Professor, Advanced Propulsion Systems	WMG, University of Warwick	Confirmed
11:00-11:30 COFFEE BREAK - EXHIBITION NETWORKING				
11:30-11:50	KEYNOTE: The Role of 5G in UAM Development	Head of the Institute for Communication Systems	University of Surrey	Confirmed
6. FINANCE & INVESTMENT (Hosted by Sir Brian Burridge)				
11:50-11:55	Session Introduction	Chief Executive Officer	Royal Aeronautical Society	Confirmed
11:55-12:10	Investing in Urban Air Mobility	Founder	Earlymarket	Confirmed
12:10-12:25	Is there money to be made in Urban Air Mobility?	Managing Partner	Achieving the Difference	Confirmed
12:25-12:30	Conference Closing Remarks	Conference Chairman	Technology/TV Presenter	Confirmed
12:30-13:30 LUNCH BREAK - EXHIBITION NETWORKING				
7. CHALLENGE WORKSHOPS (1-3)
