

Urban Air Mobility will transform lives... But only if we make it inclusive and accessible.
The community is here to help.

Vision

Anyone with any disability can recognize and reach their potential through aviation.

Access and innovation.

What we do

1. Flying
2. Education
3. Advocacy

Advocacy

- **Representing** the needs of the disabled in commercial and social aviation
- **Influencing** aviation for the benefit of the disabled and wider society:
 - Civata Global White Paper
 - Vertical Flight Society and Bell Student Design Competition –eVTOL Air Taxi for Passengers with Reduced Mobility
 - Working with Designers and Manufacturers
- **Changing** perceptions with imaginative, innovative and high-profile demonstrations of ability. Disabled people are natural innovators!

November 2018 setting a new Guinness
World Record pulling 130 ton BA
Boeing 787 with our wheelchairs

You don't know what you don't know. Right?

39th Annual Student Design Competition

2021-2022 Request for Proposal (RFP)

**eVTOL Air Taxi for
Passengers with Reduced Mobility (PRM)**

Sponsored by

August 2021

URBAN AIR MOBILITY HAS THE POWER TO TRANSFORM THE LIVES OF MILLIONS...

... But only if we make it inclusive and accessible.

A white paper prepared by:

**The Civic Air Transport
Association (CIVATAglobal)
& Aerobility**

Aviation Accessibility Charter

The Aviation Accessibility Charter enshrines a set of principles, values and behaviours toward those living with disability, by the aviation industry.

Collaboration. We can help!

Disabled community is ready to engage

Don't assume. Consider the spectrum of disability

Disabled people are natural innovators
