# UTM – the gateway to complex airspace

Presented By: Philip Binks

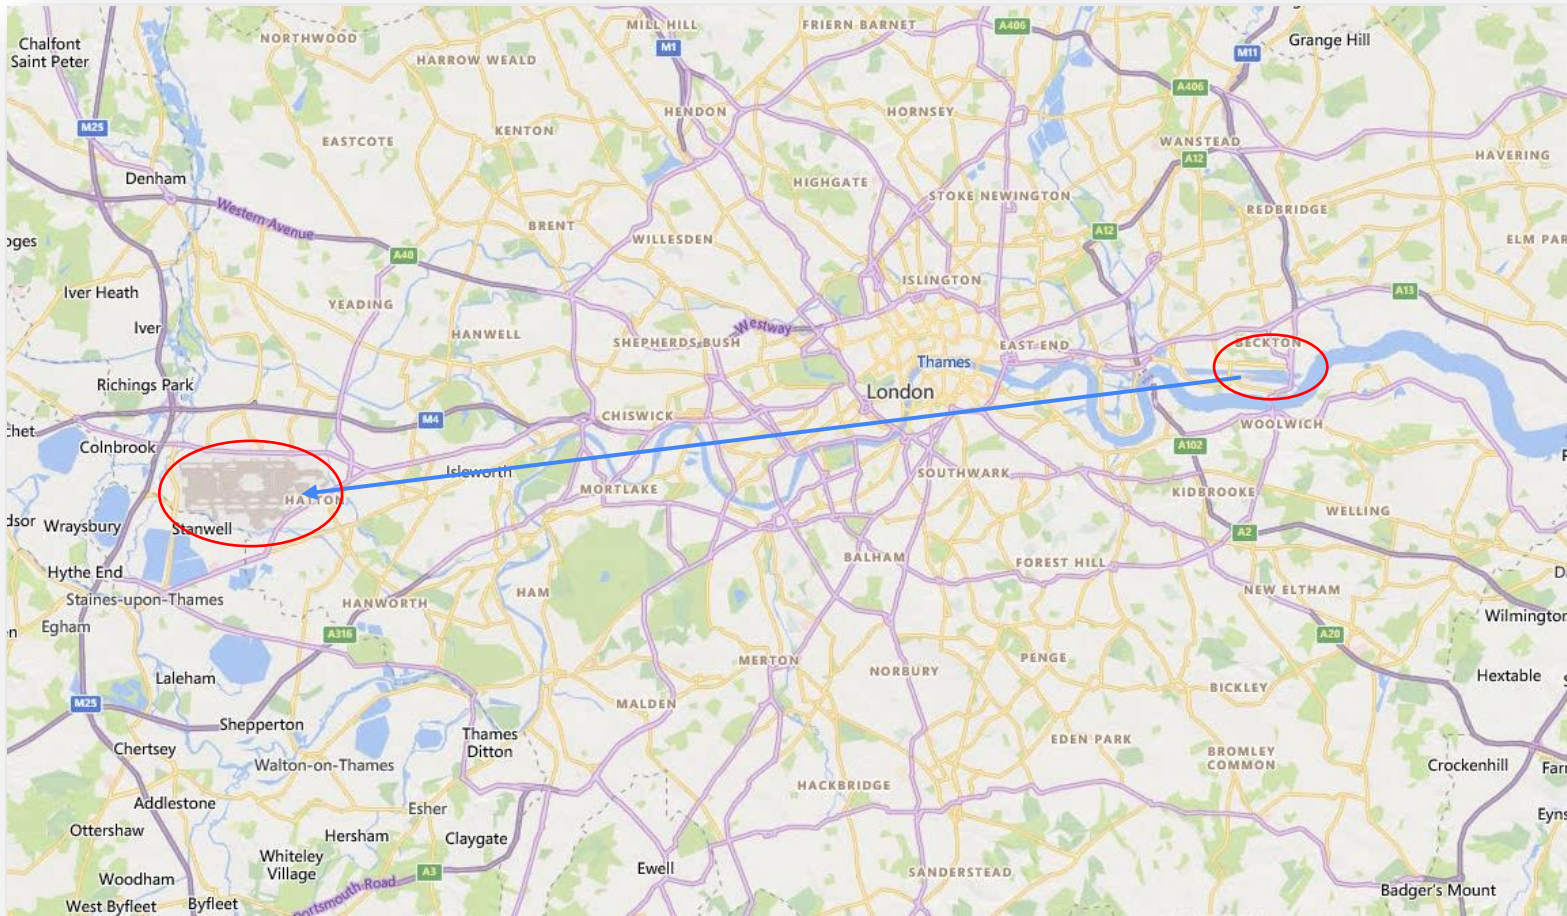

*Head of ATM, Altitude Angel*

Unified Traffic Management

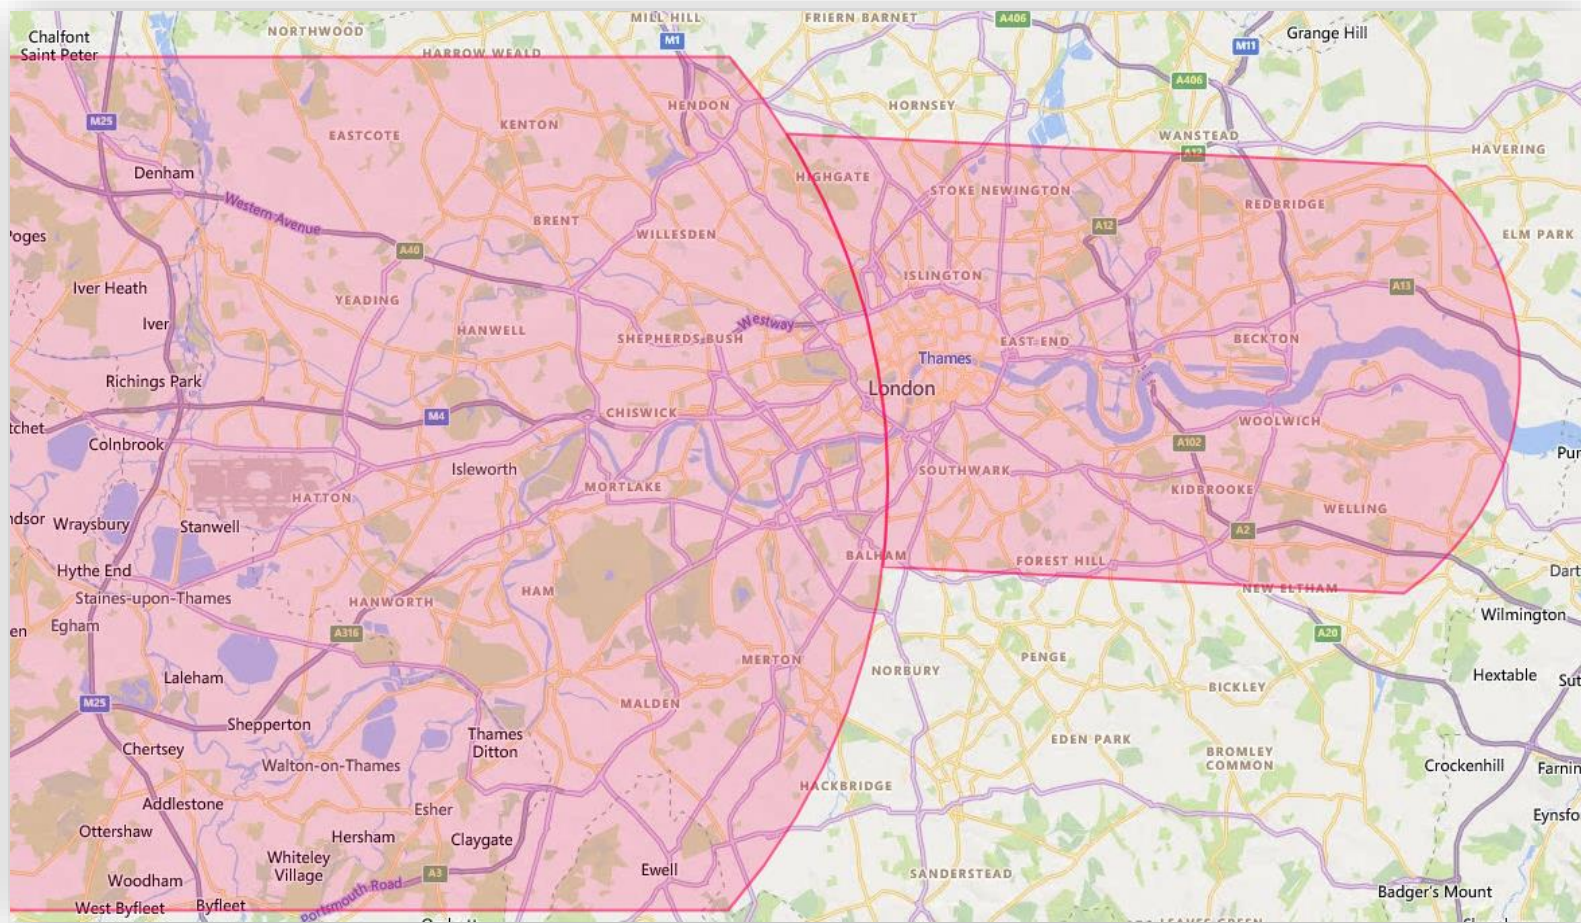

# Take a flight

London City Airport (EGLC)  
to  
Heathrow Airport (EGLL)

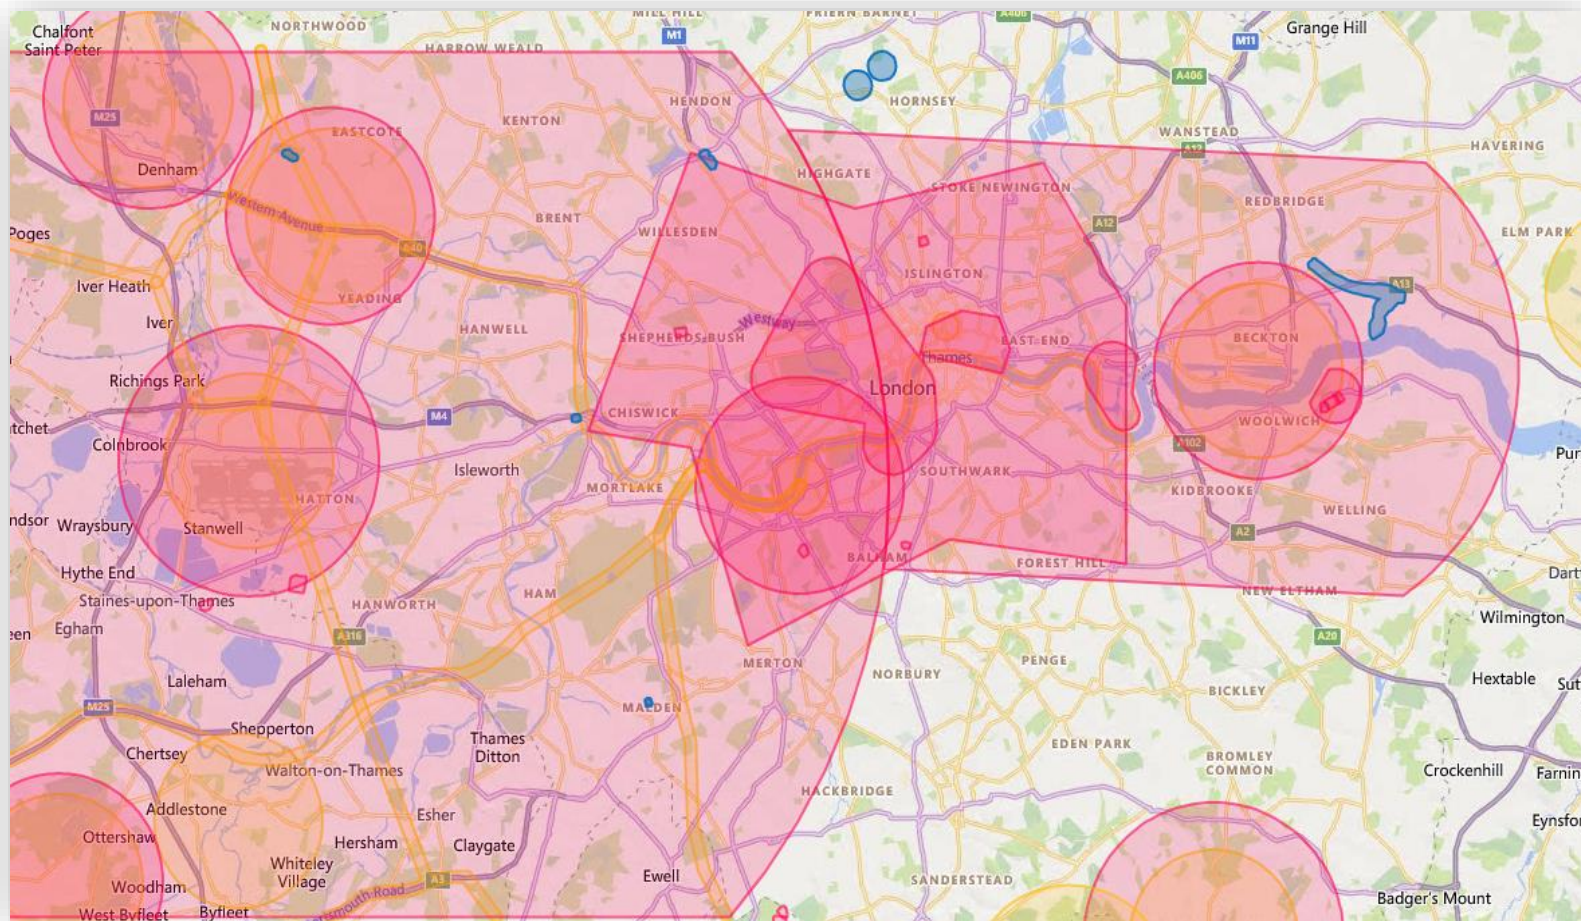

# Airspace structure

- CTRs and CTAs

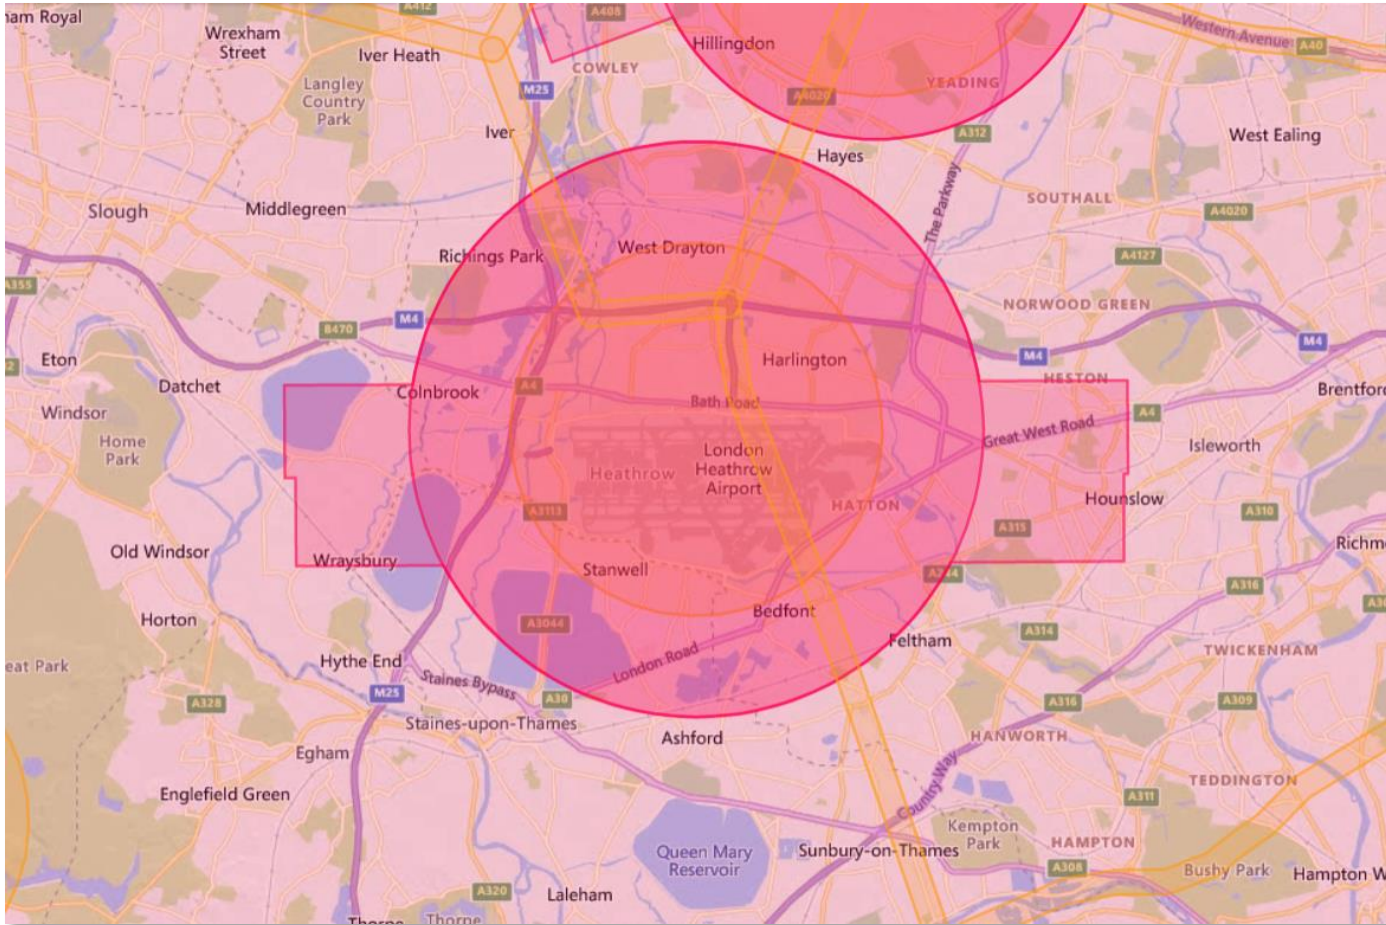

# Airspace structure

- Other airports
- Heli routes
- Other authorities
- Airspace restrictions

# Airspace structure

Heathrow, not a single customer:

- Security
- ATC
- Police
- Airside operations (APOC)
- ....who else?

# UTM – the gateway to complex airspace
